DIRT-OFF

Industrial hand cleaner

PRODUCT DESCRIPTION

DIRT-OFF Industrial hand cleaner by TOYO-G®

DIRT-OFF Industrial hand cleaner is a fast-acting easy rinse hand gel specially blend for industrial hand cleaning purpose, infused with natural micro mineral to scrub off tough dirt, grease, oil, ink, paint, glue, tile cements, gasket, epoxies, soils & grime etc. It is a petroleum solvent free thick hand gel contains no harsh chemicals that can sting cuts or abrasions and is fortified with plant based softening agent, coconut derived grease cutter, biodegradable surfactant, vegetable derived skin conditioners and natural citrus fragrance to deep clean and protect raw, rough hands.

Directions for use:

Rub hand cleaner into dry hands until dirt or grease is dissolved, rinse with water.
