CO ASHLESS COMPRESSOR OIL

INDUSTRIAL GRADE

Product Description

TOYO-G CO Series are Premium Ashless Air Compressor Oil that specially formulated from high quality refined pure base stocks and special additives package to ensure optimum lubricating performance and maximum protection for the machine.

It has excellent rust / corrosion protection and anti wear performance which allows longer service life with low deposits in high temperature operation. Besides from the above, it contains excellent oxidation resistance and anti-foam properties purposely to reduce deposits or sludge formation.

By the mixture of high quality additives, TOYO-G CO Series give an extended drain interval comparing to the conventional type lubricants which enable compressors requiring up to 6,000+ hours operation.

It is suitable for use in both reciprocating and rotary types compressors.

Note, it is compatible with most petroleum based compressor oils including PAO and Ester and it is not compatible with glycol and silicone based compressor oils.

Product Specification and Performance meet

DIN 51560 VDL ISO 6743-3 DAA, DAB, DAG, DAH

Benefits

- ✓ Excellent hydrolytic stability maintains fluid integrity and provide extended service life
- ✓ Lower operating temperature by enhancing parts life in moist condition
- ✓ Reduce energy cost and downtime
- ✓ Trouble-free operation
- ✓ Low volatility which prevent top up requirement
- ✓ Oxidation resistance for better protection, maintaining clearances for maximum compressor efficiency
